## ABOUT THE COLLECTION

*Yanic Simard Selected* is a new, carefully curated collection of modern home decor accessories. In partnership with accessory experts Torre & Tagus, Yanic has created three lifestyle stories - Lodge Life, Beauty of Mixed Metals and Power of Black and White. Each item has been carefully chosen by Yanic himself to represent his personal design aesthetic. Any combination of these pieces will coordinate to add an instant infusion of style, allowing consumers the freedom to mix and match with confidence.

” Finding meaningful likeness between contrasting objects is the essence of elegance.

” Although I love combining many periods in one space, reflecting the individual voice of every project, I have a special fondness for Art Deco. A design style known for the mixing of multiple metallic tones with luxe textures, Deco has become a modern favourite, allowing the freedom to combine gold, silver, bronze, and beyond to achieve your deepest design dreams.

Epic Bronzed Bird Sculpture, Talis Gold Hammered Platter, Talis Silver Hammered Vase, Woodgrain Lined Jewelry Box, Safari Cushion, Silver Crackle Knobs, Lotus Capiz Shell Tea Light Holder, Woodgrain Lined Box.

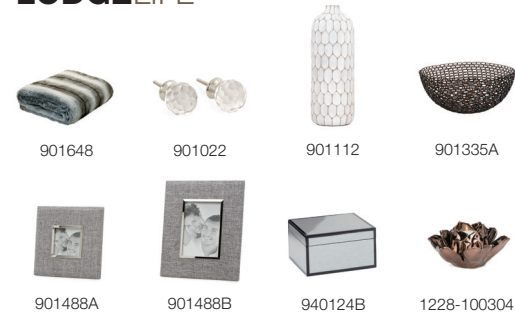

# POWER OF BLACK&WHITE

” *The ultimate in contrast; the pinnacle of simplicity, and an irresistible trend: black and white combine to form a perfect balance and a powerful statement. Whether adding these counterpoints in small doses or following the strictest scheme, the timeless duo speaks of sophistication and easy elegance.*

Diamond Deco Box, Wire Husk Lanterns, Orbit Glass Decor Balls, Kiri Bowls, Deco Zig Zag Box, Acrylic Floating Photo Frame, Deco Zig Zag Tray, Chevron Jacquard Cotton Throw.
